

E-A-R[®] Metal-Detectable Hearing Protection.

The most complete line of metal-detectable hearing protectors.

E-A-R.

The best, most trusted, innovative hearing protectors in the world.

E-A-R offers the widest variety of Metal Detectable Hearing Protectors on the market today. The Metal Detectable plug contains an encased ball bearing that not only eliminates the potential for rusting, but maintains the comfort of the hearing protector.

E-A-R® Classic® Plus Metal-Detectable Earplugs

Features a Metal-Detectable cord

The most popular earplug in the world in a metal-detectable form. The Classic, with dermatologically safe foam, provides a comfortable seal, exerts little pressure on the ear, and has the highest available NRR 33 dB. Both the cord and the plugs are metal detectable.

Order # 311-4101

One pair per package;
200 pairs per dispenser;
10 dispensers per case
(2,000 pairs)

E-A-Rsoft® Yellow Neons® Metal-Detectable.

Features a Metal-Detectable cord

The softest, smoothest, highest NRR (33 dB) metal-detectable earplugs available. Their shaped foam provides maximum comfort with excellent attenuation.

Both the cord and the plugs are metal detectable.

Regular: Order # 311-4106

One pair per poly bag;
200 pairs per dispenser;
10 dispensers per case
(2,000 pairs)

E-A-R® Express® Metal- Detectable Pod Plugs

The E-A-R EXPRESS Pod Plugs practically insert themselves, there's no rolling down needed. The patented InstaSeal system assures the user a great fit, while using less foam for a more comfortable feel. The E-A-R EXPRESS Pod Plugs deliver excellent protection with an NRR of 25 dB.

Order # 311-1127

One pair per Pillow Pack;
100 pairs per dispenser;
4 dispensers per case
(400 pairs)

E-A-R® UltraFit® Metal- Detectable Earplugs

Talk about a product that can do it all. They're comfortable, hygienic, effective (NRR 21dB), reusable and metal-detectable. No rolldown or sizing is required for these patented, premolded, triple-flange plugs. Just pop them in, and you're ready for work.

(formerly Tracers)

Order # 340-4007

One pair per poly bag;
100 pairs per box;
4 boxes per case
(400 pairs)
