

DETECTION SELECTION

The Most Complete Line
of **METAL DETECTABLE HEARING PROTECTORS**
in the Industry.

TRACEABLE PROTECTORS are specially developed for food processing and other industries where prevention of product and process contamination is critical. **More solutions from the leader in hearing protection – E-A-R.**

LEADING THE ADVANCEMENT
OF HEARING PROTECTION™

DETECT THE ADVANTAGES

These comfortable and effective protectors feature encased surgical-grade, stainless-steel ball bearings and are formulated with metal particles. The result is rust-free performance and high detection by most metal-sensing systems.

Nobody offers more choices or peace of mind than E-A-R.

Metal Detectable
E-A-Rsoft®
Yellow Neons®
With Metal Detectable Cord

Highest Protection in Metal Detectable Plugs. Shaped for easy roll-down and insertion, these soft foam plugs expand within the ear canal to provide optimum protection and excellent all-day comfort.

- NRR 33 dB
- Smooth Texture
- Bright Color for Compliance Sighting

200 pairs per dispenser box

Metal Detectable
E-A-R Push-Ins®
With Metal Detectable Cord

No Roll. No Touch. No Problem. Another no roll-down plug, a gentle push is all it takes and the patented E-A-Rform™ foam tip fits virtually every size canal. The flexible stem improves hygiene, too.

- NRR 28 dB
- Ready-To-Use
- Reusable

200 pairs per dispenser box

Metal Detectable
E-A-R UltraFit®
With Metal Detectable Cord

Pre-molded, Triple-Flanged Design. The most popular pre-molded earplugs in the industry, UltraFit's flexible flanges gently "grip" the canal to form-and-hold an effective seal against noise.

- NRR 25 dB
- Washable & Reusable
- Hypoallergenic Polymer

100 pairs per dispenser box

Also available in EconoPak
200 pairs per box
Use Order #340-4017

NOTE: EconoPak cords are NOT Metal Detectable.

Metal Detectable
E-A-R Express

Instant Use. Extra Comfort. Made of an advanced foam formulation, Express plugs require no roll down before insertion. The paddle-style grip helps make quick and correct fitting easier than ever.

- NRR 25 dB
- Foam Pods
- Easy Grip
- Packaged in Pillow Pack

100 pairs per dispenser box
